FREE Updates for Encroachment removals and/or removal of non-compliant improvements
When our RPR reveals an encroachment or non-compliant improvement (i.e. deck located within the 1.2 metre side yard set-back), clients have the option of applying to the City, for relaxation / encroachment or altering / removing the offending improvement. If they choose to alter or remove the improvement, and do so within six months of the original RPR issued by Global Raymac Surveys, simply call us. We will revisit the site to confirm the change and update the RPR at no additional charge.
